About me

- I'm a Senior Product Designer with predominant experience in the Fintech industry. I have always been involved in all stages of the design process, starting from discovery up until launch. I am skilled at managing tasks across teams and communicating with stakeholders. I am an ambitious individual, constantly eager to learn and improve.

Experience

- Payhawk**

Product designer | May 2022 – Present

I am proud to be an integral team member of the first Bulgarian unicorn start-up. I dived in a complex financial and accounting SaaS domain and worked on dozens of small and large features that contributed to the rapid growth of the company. I owned big products design initiatives like Supplier Management, Purchase Order System, Payment Integrations and many more from discovery to launch.

- BG Web Soft Ltd.**

Senior Product Designer | Mar 2020 – Present

As a designer in the company team I am responsible for the design of all the company products. I have worked and led various projects for the financial industry and solved complex design challenges.

- Paysafe**

Product designer | April 2021 – May 2022

As a product designer in the company team my main area of responsibility was the Payment & Payout Gateway for the Skrill & Neteller digital wallets together with the Skrill Crypto exchange. Another design responsibility of mine that I shared together in a team with my peers was the newly launched Skrill's Sports Corner and the digital wallet app redesign initiative related to it.

- Monett Mutual Funds**

Product Designer | Dec 2020 – Dec 2021

I was the product designer in the start-up team and responsible for UX and UI design of the investment app from discovery to launch. I did user research, developed design concepts and created experiential prototypes.

- LUCRAT Bulgaria**

UX/UI Design intern | June 2019 – Sept 2019

As an intern I worked together with the senior designer and assisted in User & Market Research and created Design Concepts & Prototypes for an online usability testing tool

Education

- MSc Management Information Systems**

Sofia University St. Kliment Ohridski | Oct 2020 – Present

- BSc User Experience Design**

The Hague University of Applied Sciences | Aug 2017 – June 2020

- European Project Semester**

Universitat Politècnica de València | Sept 2018 – Jan 2019

- Pre-bachelor Computational Engineering**

RWTH Aachen | Sept 2018 – Jan 2019
